Councilmember Manny Martinez, City of Glendale

March 14, 2012

## **Transit company, Phoenix bus-driver union close to agreement**

There has been a preliminary agreement between Veolia Transportation Services and Amalgamated Transit Union 1433. According to information from the city of Phoenix, we will see improvement in bus service ramping up to normal “soon,” but likely by Friday.

Updates are available on the Phoenix website at [www.phoenix.gov/publictransit](http://www.phoenix.gov/publictransit) and the Valley Metro website at [www.valleymetro.org](http://www.valleymetro.org) or by calling Valley Metro customer service center at (602)-253-5000.

For more information and transportation alternatives for Glendale residents, [click here](#).
